

About Walt Marsicano, Voice Over Artist

Walt Marsicano offers a warm, versatile, well-seasoned voice which can adapt to many scenarios. His many years experience have included dramatic and hard-hitting 'in-your-face' commercial voiceovers, as well as soft, natural, guy-next-door types, and off-beat, fun sounding characters & dialects. Walt can do warm & fuzzy, serious authoritative narrations, and believable announcer type voiceovers. Telephone IVR messages, internet, industrial voiceovers, and just about any other audio project are the type of things he has produced countless times

We can write, record, and master your audio project to save you time & money! Multitrack & multivoice digital audio production is available. Female voice talent is also available through Walt for multi-voice jobs.

MULTI-TIME WINNER OF RADIO'S ADDY AWARD FOR COMMERCIAL EXCELLENCE

Over 20 years of voice talent and production experience.
